

Human Dimension Implementation Meeting Warsaw, 24 September – 4 October 2013

INFORMATION FOR ORGANIZERS OF SIDE EVENTS

NGOs, governments, and other participants are encouraged to organize side events on relevant Human Dimension issues.¹ Side events provide an opportunity for the participants to discuss issues that have not been fully covered during the working sessions since only limited time is assigned to each of the topics. Side events are meant to facilitate informal discussions among representatives of governments, NGOs and international organizations. The organization convening a side event will be responsible for its content, which will not necessarily reflect the views of the OSCE.
